# Home Page

The Home Page is where you start. There is a menu across the top that has drop-down windows that show you other pages. The first thing you should do is click on the "Register" page. Some of the pages are "Private" and you won't see them until you register as a resident-member.

Once you've registered, the Top Menu appears on every page. You can navigate between pages by opening the menu and clicking on the page you want.

So, click on the "Register" link in the drop-down menu and get started

# Register Page

- When you register for membership, your application will be reviewed to make sure you are a resident of The Fairways.
- Upon approval, you will be sent a link to establish a password. Only you will know your password and if you forget it, you can reset it. A new email will be sent with a link for you to set your password to whatever you want.
- If you add a phone number that will be added to the Private Residents Directory that only members can access and download.
